

Train up a child in the way he should go:  
and when he is old,  
he will not depart from it.

## POLICIES AND PROCEDURES FOR ATTENDANCE

*"The School's policies which are made from time to time are made pursuant to the requirements set out in section 47 of the Education Act and of the Board of Studies for registration for the school."*

### Rationale:

***In NSW students must attend school regularly. This means all children between the ages of six and seventeen are legally required to attend school.***

It is the intent of Sherwood Hills Christian School to ensure that each child attends school each day of the school year. Sherwood Hills Christian School will endeavour to keep parents informed of any unexplained absences, and will seek to receive written notification of each absence.

School attendance is compulsory for all school aged children, and therefore we will hold to the regulations of the Board of Studies regarding school attendance.

It is possible that frequent absences could jeopardise a student's position in a particular course and Austudy or Youth Allowance payment.

For this reason, it is recommended that students obtain a doctor's certificate for extended absences of more than two days, or a series of frequent shorter absences, due to illness. Unfortunately, poor attendance, even though genuine reasons, may mean non-completion of a course.

The headmaster of Sherwood Hills Christian School maintains a register, in a form approved by the Minister, of the enrolments and daily attendances of all children at the school which includes information for each student as required by Section 3.8 of the NSW Education Standards Authority (NESA) Registered and Accredited Individual Non-Government Schools (NSW) Manual.

Where the parents of a student of compulsory school age seeks an exemption from attendance at school or an exemption from enrolment, the headmaster will process the parent's application in accordance with the guidelines from the NSW Department of Education.

The headmaster may exercise the Minister's delegation under Section 25 of the Education Act in relation to granting and cancelling a certificate of exemption from being enrolled and attending school in certain prescribed circumstances.

## **PROCEDURE:**

### ***Daily on Arrival-before 8.45am***

1. **Kindergarten**- The Kindergarten Teacher marks the attendance roll once the students have all entered class. They will then inform the office by 9.30am of any absentees.
2. **Primary**- The full time Teachers Aid/Floor Manager marks off the Primary Student Attendance List as the students arrive at school. They will then inform the office by 9.30am of any absentees.
3. **High School**- The High School teacher rostered on morning duty will mark off the High School Student Attendance list as the students arrive at school until 8.45am. The list is then given to the High School Teachers Aid to cross check with late arrivals. They will then inform the office by 9.30am of any absentees.

Any parent/guardian/carer that has not notified the school of the student's absence by 9.30am will be contacted by the front office assistant. The front office assistant will then email a student absentee list to all departments.

### ***Late Arrival - after 8.45am***

1. **Kindergarten** - Students who arrive late must present themselves to Mrs. Stashko and she will record their late arrival.
2. **Primary** - Students who arrive late must present themselves to Mr. Carter-locke to have their name marked on the sign in sheet. The sign-in sheets must be kept as a matter of record.
3. **High School** - Students who arrive late must present themselves to Mrs. Carrick and sign in on the sign-in sheet. The sign in sheet is located on the table outside the staff room. The sign-in sheet must be kept as a matter of record.

### ***Early Departure - before 3.15pm***

Students who leave before 3.15pm must present themselves to the Front office with Parent/Guardian permission, to sign themselves out of school. Once the Front office has received written or verbal confirmation from Parent/Guardian the student then may sign themselves out. The written slip must be signed by the office staff member *before* they leave the school premises and must be kept by the student and/or parent for their personal records.

**Please note:** Parent(s) and/or guardian(s) with a child/ren in Primary or ABC are required to come to the Front office in person to sign for their child/ren when leaving before 3:15pm.

Each classroom teacher is responsible for maintaining their class roll each day in accordance with Board of Study regulation written in the front cover of the class roll.

The following information must be maintained in each class:

1. daily attendance, which may be recorded by noting daily absences
2. absences
3. reason for absence
4. documentation to substantiate reason for absence

### **Absentees**

**Kindergarten-** the kindergarten teacher is responsible for identifying any absent students and ensuring that appropriate notification of that absence is obtained from their parent(s) and/or guardian(s).

**Primary-** The full time Teachers Aid/Floor Manager is responsible for identifying any absent students and the Head of the Primary Department is responsible for ensuring that appropriate notification of that absence is obtained from their parent(s) and/or guardian(s).

**High School-** the high school Teachers Aid is responsible for identifying any absent students and ensuring that appropriate notification of that absence is obtained from their parent(s) and/or guardian(s).

**Parent/Guardians are required to notify the school verbally or with written consent prior to 9:30am on the day of absence.**

If verbal or written notification is not received an absent sticker is to be placed in the student's diary to notify their parent(s) and/or guardian(s) that verbal/written notification is required.

If a parent(s) and/or guardian(s) fail to produce written notification, then the designated teacher/teachers aid as mentioned above for each department is to write to that parent(s) and/or guardian specifically requesting written notification.

Once written notification is obtained the note is to be placed in the absentee file to be kept for a period of one (1) year.

Parent(s) and/or guardian(s) of any students who have poor attendance or continual late arrival to school will be notified by the following departments:

**Kindergarten:** Classroom teacher

**Primary:** The Head of the primary department

**High School:**

The Year 9 Academic Advisor, this is for all High School years.

Such notification needs to be in writing and a copy of that notification needs to be placed in that particular student's file.

Students may not leave school grounds before 3:15pm without written consent or verbal instruction, to the school office, from their parent(s) and/or guardian(s). All such instances must be recorded by the classroom teacher.

The sheets from the Sign In and Sign Out Sheets must be kept for a period of one year.

### **Extended Leave Application**

If a student is to be absent for 5 or more days due to family travel, then the family must fill out and hand in a "Application for Extended Leave-Travel" form. This form is to be handed in to the headmaster and signed by him. The original is given back to the family and a copy is placed in the student's file by the office assistant.

### **Unsatisfactory Attendance:**

If a child has accumulated 10 days or more throughout the year in unexplained absences despite repeated attempts from supervisors and teachers to acquire relevant documentation that substantiates their absence, and where the destination of a student below 17 years of age is unknown, the school Headmaster will send a letter to his/her last registered home address and a copy will be filed in the student's file.

The following letters are to be sent to the family in this particular order:

1. Secretary's Compulsory Schooling Conference
2. Further Action Letter
3. Court Ordered Conference.

If no response is received then the school Headmaster/Assistant Administrator will notify the local Home-School liaison officer from the Department of Education and Training notifying the officer of the name, age and last known address of the student whose attendance has been unsatisfactory. Once the matter is with the liaison officer the school bears no responsibility.

Data on absences where a student is absent for 30 days, the Principal should access the mandatory reporters section of the Keep Them Safe website [www.KeepThemSafe.nsw.gov.au](http://www.KeepThemSafe.nsw.gov.au) to determine whether a report is required.

### **Attendance Paperwork**

All paperwork relating to attendance matters are to be filed in the student's file by the office assistant.

### **Registers:**

1. **Register of Enrolments:**

## **2. Register of daily attendance**
