

STUDENT BEHAVIOUR AND DISCIPLINE POLICY

ABC DEPARTMENT

The ABC Learning Centre revolves around a system of positive reinforcement and encouragement.

The ABC Learning Centre revolves around a reward system of awards, merits, stickers, points, and prizes from the "Prize Box". Once students receive 7 stickers, they can choose a prize. Stickers are given for good behaviour, a good work ethic, wonderful manners and Christian character. This system encourages students to perform at their best and grow in character traits that would please God and bring Him glory. It also encourages peace and harmony in the classroom and fosters a sense of cooperation and friendship. The students are constantly encouraged to congratulate each other on their achievements.

ABC students work and earn rewards as they do so. Students are also expected to abide by classroom rules and regulations, respecting and listening to others, especially those in authority.

The issuing of demerits is at the discretion of the Teacher and Teacher's Aide. Automatic detentions are issued by the Teacher.

Students earn demerits for the following:
